

TIGER WOODS LEARNING CENTER SUMMER ACADEMY CAMP: MILITARY FAMILY APPLICATION

SUMMER ACADEMY CAMP OVERVIEW:

The Tiger Woods Learning Center in Anaheim, California offers youth ages 11-13 the opportunity to participate in one-of-a-kind STEM (science, technology, engineering and math) or GOLF Programs. STEM Academy participants spend a week utilizing cutting edge technology to learn the skills needed to be an engineer, zoologist, video game architect, or car designer. GOLF participants learn basic game skills, practice with professional Nike equipment at our exceptional facility, as well as participate in clubmaking, video swing analysis, and golf fitness workshops. Spending the days at the Learning Center and the evenings at the Outdoor Education Center provides a balance between summertime education and summertime fun!

STUDENT & PARENT HIGHLIGHTS**

STUDENT FEEDBACK

98% - Learned something new and enjoyed the class they took at the Summer Academy Camp.
82% - Learned how to use new technology they had never experience prior to attend the Summer Academy Camp.

BEST PART OF THE STUDENTS SUMMER ACADEMY CAMP CLASSES:

- Being able to create something with my own hands that I am proud of.
- The best thing about my Summer Academy class is that I got to make different types of vehicles powered by different types of energy. I also got to design and build a dragster out of balsa wood.
- Having fun and learning new techniques to improve my [golf] game and the coaches Mr.G and Mr.B were really fun and helpful.
- The best thing about my Summer Academy class is learning how to build robots and how to program them using software.
- The best thing about my Summer Academy class was the new knowledge that I acquired about robotics and how resourceful it can be.
- The teachers were really supportive and they really taught me something which was how animals work and how that you make your own decisions.
- There was always a teacher or someone there to help me and my group whenever we needed it.
- Trip to Disneyland, campfire (mostly the s'mores) all of science class, making new friends.
- The BEST thing about TWLC was definitely meeting awesome people and friends who you wouldn't find back in Washington DC.
- The best thing was golfing. The instructors were nice, I had a lot of fun and I really feel like I learned something.

PARENT FEEDBACK

95% - Parents reported their child had an enjoyable time at the Summer Academy Camp.
95% - Parents reported their child class experience was excellent.
90% - Parents said they would recommend the Summer Academy Camp to other parents.

- My sincerest thanks to all the staff. Madison had such a fantastic time and has been telling everyone about her time with TWLC. The military scholarships were so appreciated. It is very rare to find an organization that is truly able to see the emotional and financial hardships that those in the military encounter and we would not have been able to afford this camp without your help. I hate to think of the opportunity she could have missed out on. Thank you again for this absolutely incredible opportunity! *Parent, Fort Bragg, NC*
- I cannot tell you enough how proud and blessed we are to have them attend the academy for free. The standard camp fee is an amount we would never be able to afford for 1 kid, let alone 2 kids. Thank you for allowing this opportunity for them to attend. It will be a memory they will carry forever! Thank you! *Parent, Costa Mesa, CA*
- I think this was one of her best experiences in USA, she born in El Salvador. What I really appreciate from this opportunity is that she is now highly motivated and that gives me the sense she will continue to work hard at school to continue repeating this type of experience since she know they are very important for her future school years. *Parent, Washington, DC*
