Maine National Guard Family Program

Christmas Across Maine 2022

This is a completely confidential, needs-based program for currently serving Maine Military Members, their Families and Gold Star Families. The program provides assistance for service members experiencing financial difficulties.

All items are donated by the community, therefore we can only support a limited number of requests. Through the partnerships with generous community sponsors and donors, this program makes it possible for service members and their families to have a great holiday season!

**Community Sponsors are encouraged to call
1-888-365-9287 for more information!**

To apply or for more information: Michelle.L.Ouellette2.civ@army.mil or call
Maine Military Family Assistance Center
